To our valued customers,

COVID-19 (Coronavirus) Sports Centre Update

We have been waiting for this exciting moment and are delighted to announce that we are reopening the Sports Centre Gym on the 19th April 2021 subject to national and local restrictions. We will be opening the gym first on a phased approach followed with communication on opening of other areas of the facility. The Sports Centre will reopen with procedures in place for our staff and customers health and safety. Everyone will be expected to wear a face covering upon entering the Sports Centre. We have provided answers to popular questions below but if you need any additional information please contact the Sports Centre.

Memberships:

All memberships have been frozen since the closure of the Sports Centre earlier in the year. These will remain frozen until your normal payment date in May 2021. Customers wishing to use the Sports Centre gym from 19th April will be required to make a pro-rata payment upon visiting. Customers on short term and annual memberships will have these extended for the time that the facility has been closed for.

Gym Bookings:

All bookings must be made prior to arriving on site, bookings will be taken for the gym from 12th April 2021. Direct Debit and Annual memberships will be able to book up to seven days in advance, all other memberships will be able to book up to five days in advance. Please do not arrive more than ten minutes before your booking as staff will be cleaning equipment between sessions.

Face coverings are always required to be worn throughout the Sports Centre. These can be removed when you are exercising in your area. Areas have been marked out for users to exercise in, please do not move equipment from another area. You can move between areas within your booking slot, you are not required to stay in one area for the duration of the booking. We ask all users to use the wipes provided in each training area to wipe down the equipment you have used.

Facilities:

We will be resuming most activities but as a result of social distancing and industry guidance some may not be available. Customers will be required to book in advance all activities that take place in the Sports Centre, and these will have allocated maximum numbers. We will be taking bookings from Monday 12th April 2021 for gym sessions. Please see attached for our opening hours and sessions that are available for booking.

We are aware that there will be a rush to book session as everyone is keen to get back to their routines and our team will be working hard to meet the demands, your patience is appreciated.
