To our valued customers,

### COVID-19 (Coronavirus) Sports Centre Update

We are excited to be able to communicate with all our members regarding our Swimming Pool reopening. Following government and industry guidance we will be reopening our swimming pool on Monday 3<sup>rd</sup> May 2021. Our team have been working hard to get the pool ready to open to everyone following social distancing guidance. The swimming pool will reopen with procedures in place for our staff and customers health and safety. Everyone will be expected to wear a face covering upon entering the Sports Centre. We have provided answers to popular questions below but if you need any additional information please contact the Sports Centre.

#### Swimming Pool Bookings:

All bookings must be made prior to arriving on site, bookings will be taken for the swimming pool from 26<sup>th</sup> April 2021. Direct Debit and Annual memberships will be able to book up to seven days in advance, all other memberships will be able to book up to five days in advance. Please do not arrive more than ten minutes before your booking as staff will be cleaning changing rooms between sessions. There will be a ten-minute cut off time implemented after a session has started, if swimmers arrive after this they will not be allowed to enter the session.

Face coverings are always required to be worn throughout the Sports Centre. These can be removed when you arrive on poolside at your lane where baskets will be provided to leave your clothing. We ask that all swimmers arrive beach ready in their swim wear as changing rooms will not be available until after the swimming session is finished. Once the session has finished all swimmers will have access to the changing rooms but are advised to shower at home. We ask all users to use the wipes provided in changing rooms to wipe down the area where you have changed.

#### Memberships:

All memberships have been frozen since the closure of the Sports Centre earlier in the year. These will remain frozen until your normal payment date in May 2021. Customers on short term and annual memberships will have these extended for the time that the facility has been closed for.

#### Price Changes:

We have attached below our revised prices for the Sports Centre. These will take effect from 1<sup>st</sup> May 2021 for all new memberships and pay as you go users. For all current direct debit members, the price changes will take effect from 1<sup>st</sup> June, please contact the Sports Centre if you have any questions regarding to your membership.

## Facilities:

We will be resuming most activities but as a result of social distancing and industry guidance some may not be available. Customers will be required to book in advance all activities that take place in the Sports Centre, and these will have allocated maximum numbers. Please see attached for our opening hours and sessions that are available for booking.

We are aware that there will be a rush to book session as everyone is keen to get back to their routines and our team will be working hard to meet the demands, your patience is appreciated.

We are grateful to your support and understanding over the past few months and we are really looking forward to welcoming you back.

Kind regards

The Sports Centre Team.
